

Conforti Family Farm Signup Form

- Join: our community supported agriculture (CSA) for 22 weeks of fresh vegetables picked at their peak flavor!
- What YOU get: we promise to provide pesticide free, non-GMO, natural, organically grown vegetables from our farm to your table. Every week you will receive at least 6-8 seasonal vegetable varieties. In the spring expect items such as lettuce, green onions, cabbage, broccoli, asparagus, beets. For the summer expect beans, cucumbers, zucchini, tomatoes, peppers, eggplants and potatoes, fresh herbs and more. You also receive first opportunity to purchase additional products like free ranged chickens and turkeys (thanksgiving) free ranged eggs, blueberries and raspberries.
- What we get: the CSA approach allows a small farm to share the risk with you the consumer. Your investment is more then buying goods to us. It helps keep a family farm like ours operating.
- Risk: we are growing in Western, PA with sometimes unpredictable weather using only organic practices. There is a possibility of crop failure. We do everything in our power to avoid this.
- Buying a share in our farm is an investment in your health, as well as your community. Wouldn't it be great to have a personal relationship with your farmer?
- Costs: small share: \$350 large share: \$450
- Get to know us: Email [**ConfortiFamilyFarmCSA@gmail.com**](mailto:ConfortiFamilyFarmCSA@gmail.com) -we love what we do- send us questions.
- Follow: [**@con40familyfarm**](#)- chirp about our freshness!
- Like us: [**www.facebook.com/confortifamilyfarm**](http://www.facebook.com/confortifamilyfarm) (Share the freshest idea you heard today!)
- Visit our website and join today! [**http://confortifamilyfarm.com/**](http://confortifamilyfarm.com/)
